

Welcome to Ambrosini's

The Ambrosini family is originally from the province of Sondrio, a small city in the Valtellina, an alpine valley of the Lombardy region.

The tastes of this area are many and varied with influences from nearby regions and bordering countries such as Piedmont and Switzerland.

More than just a name, we have the experience of three generations of the Ambrosini family to ensure every occasion is memorable.

Buon Appetito!

Your hosts
The Ambrosini Family
